When Frank Roscoe saves their young son from drowning, Sally and John Mellanby are understandably grateful, and offer their help to the ex-Army officer while he establishes himself in the local area. They invite him into their home, offer him a car and even an interest-free loan if he needs it. Slowly Roscoe ' s manner changes and the family become trapped in a nightmare of fear and suspicion which threatens to destroy their tranquil way of life. A gripping and all too plausible story of blackmail and deceit set in the soft beauty of Somerset, The Golden Deed is a simple yet effective tale of a couple whose good intentions bring a treacherous force into their lives. ' Has the priceless gift of telling a story with apparent simplicity, but unfailing grip ' Times Literary Supplement With an appetite like his, one night is never enough. Faith is comfortable living a quiet life among her books. One wild night doesn ' t define a person, especially when it ' s based on a dare, or when it happens with a stranger she ' ll never see again. But that was the past, and the guy is gone. She holds tight to the hot memories he left in his wake—and she tells herself those memories are enough. It ' s impossible for a shifter to forget his fated mate, but what happens when she doesn ' t want to be found? Grizzly shifter Ian has been trying to track his one-night-stand for months. When he finds her, he realizes he ' s not the only shifter interested in this captivating human woman. A rival shifter clan is sniffing around his mate, and there ' s nothing Ian won ' t do to keep her safe. Ruthless Rogue is a steamy, fast-paced paranormal romance with a bookish heroine and a strong hero intent on claiming her. There ' s a slight cliffhanger (more of a steep slope) teasing the next book, but Faith and Ian get their HEA. If you ' re a bibliophile and a fan of shapeshifter romance, one-click Ruthless Rogue and join Faith and Ian on the adventure of a lifetime! Additional keywords: fated, shapeshifters, second-chance romance, Idaho, forest, human woman, grizzly, bear, shifter, mistaken identity, one-night-stand David Icke exposes what he says is the real story behind global events which shape the future of human existence. When a sheltered head-strong innocent preacher ' s kid, Kizah Miller, is able to be free from under her Mother ' s control and find a man like whom she has dreamed about her entire young life, her life will be forever changed. Her sister Miranda has always been her lifeline and, as Kizah grows, she will learn just how important that bond has become. She is very naïve and has no idea of how the real world will be or how she will handle the situations that come with growing up. She finds that dream man to be Roscoe Jones and she is determined to have him at any cost. Her world will change over and over again and she will realize not all of these changes will be for the best. As Kizah continues to age she will have to fight her own demons and she forgets her God and all she has been taught as a child. Her choices have consequences and some will shock you as to how far she will go to have the love she always dreamed of having. Kizah ' s entire life she has

looked for a change that will make her completely happy and this is a love story that will prove true love can conquer all. “ An outstanding book about CEOs who excelled at capital allocation. ” — Warren Buffett #1 on Warren Buffett ’ s Recommended Reading List, Berkshire Hathaway Annual Shareholder Letter, 2012 Named one of “ 19 Books Billionaire Charlie Munger Thinks You Should Read ” in Business Insider. “ A book that details the extraordinary success of CEOs who took a radically different approach to corporate management. ” — Charlie Munger, Vice-Chairman of Berkshire Hathaway Corporation

“ Thorndike explores the importance of thoughtful capital allocation through the stories of eight successful CEOs. A good read for any business leader but especially those willing to chart their own course. ” — Michael Dell, chairman of the board of directors and chief executive officer of Dell

What makes a successful CEO? Most people call to mind a familiar definition: “ a seasoned manager with deep industry expertise. ” Others might point to the qualities of today ’ s so-called celebrity CEOs—charisma, virtuoso communication skills, and a confident management style. But what really matters when you run an organization? What is the hallmark of exceptional CEO performance? Quite simply, it is the returns for the shareholders of that company over the long term. In this refreshing, counterintuitive book, author Will Thorndike brings to bear the analytical wisdom of a successful career in investing, closely evaluating the performance of companies and their leaders. You will meet eight individualistic CEOs whose firms ’ average returns outperformed the S&P 500 by a factor of twenty—in other words, an investment of \$10,000 with each of these CEOs, on average, would have been worth over \$1.5 million twenty-five years later. You may not know all their names, but you will recognize their companies: General Cinema, Ralston Purina, The Washington Post Company, Berkshire Hathaway, General Dynamics, Capital Cities Broadcasting, TCI, and Teledyne. In *The Outsiders*, you ’ ll learn the traits and methods—striking for their consistency and relentless rationality—that helped these unique leaders achieve such exceptional performance. Humble, unassuming, and often frugal, these “ outsiders ” shunned Wall Street and the press, and shied away from the hottest new management trends. Instead, they shared specific traits that put them and the companies they led on winning trajectories: a laser-sharp focus on per share value as opposed to earnings or sales growth; an exceptional talent for allocating capital and human resources; and the belief that cash flow, not reported earnings, determines a company ’ s long-term value. Drawing on years of research and experience, Thorndike tells eye-opening stories, extracting lessons and revealing a compelling alternative model for anyone interested in leading a company or investing in one—and reaping extraordinary returns. In its 114th year, *Billboard* remains the world’s premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Get your daily shot of inspiration! In his book, *Inspirational Espresso*, Dr. Brian Roscoe walks us through the importance of looking inward and questioning ourselves in the interest of cultivating a higher state of well-being and therefore a better life experience. With little shots of wisdom guiding you to question your motives, integrity, and direction, Brian helps pave the way for choosing to learn to love better, while maintaining a sense of compassion, understanding, and truth toward yourself and all others. "Our purpose here in this wildly marvelous world is to remember how to expand into a place of deep, multilayered, unconditional love - a love that is, in essence, who we already are and have always been." *Inspirational Espresso* will leave hints of truth, inspire moments of wisdom and understanding, as well as mindfully helping us live our lives pointed toward a gentler, more compassionate way while immersed in this fantastic journey of living. “ Peter Pan ” meets “ The Little Prince ” in this middle grade book full of fantasy, mystery, and comedy! Bestselling children ’ s book author Bobby Basil has a new story for kids 8-12 that takes readers on a journey from Maine to a place beyond the sea and behind the horizon... When twelve-year-old Roscoe Dash and his best friend Britt Stryker discover a journal from missing explorer Dr. Kester Vagari, they set sail on an extra strength adventure to find Figoosta, the magical island Vagari wrote about in his journal. They make it to the island and learn Vagari is still alive and still kooky. Roscoe gets the adventure he ’ s always wanted, with wooloos to swing, knercs to ride, and truxips to twist. But in Nightmare Cave, Roscoe realizes his deepest fear is being forgotten by his loved ones back home. Now Roscoe and Britt want to get off Figoosta, but they don ’ t know how to leave. They might have to stay on Figoosta forever... This magical island adventure is perfect for: --reluctant readers --kids who love adventure --kids who love true friendship stories --anyone who wishes they could sail away to uncharted places Buy the book today and watch ordinary kids go on an extraordinary adventure!

Includes history of bills and resolutions. Profiles the lives of more than 500 Jews and describes their achievements in science, medicine, religion, politics, law, education, business, and the arts

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873) DigiCat Publishing presents to you this special edition of "New York at the Louisiana Purchase Exposition, St. Louis 1904" (Report of the New York State Commission) by DeLancey M. Ellis. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

On the morning of July 12, 2017, the FBI Boston field office receives what appears to be a hoax call: a man rescued from the waters off Massachusetts has claimed that his sailboat was hijacked and used to smuggle weapons and terrorists into the United States. With local agents tasked to prepare for an evening Presidential visit to downtown Boston, and with procedures requiring a response to any threat, no matter how unreliable it may seem, FBI administrative staffer Ben Porter is dispatched to investigate the call. Can Ben, untrained in field work and relying only his wits and intuition, uncover the deadly plot ... in time to stop it? Founded in 1965 and still active today, the Association for the Advancement of Creative Musicians (AACM) is an American institution with an international reputation. George E. Lewis, who joined the collective as a teenager in 1971, establishes the full importance and vitality of the AACM with this communal history, written with a symphonic sweep that draws on a cross-generational chorus of voices and a rich collection of rare images. Moving from Chicago to New York to Paris, and from founding member Steve McCall ’ s kitchen table to Carnegie Hall, *A Power Stronger Than Itself* uncovers a vibrant, multicultural universe and brings to light a major piece of the history of avant-garde music and art. After their visas in Florida expire John and Liz decide to consider the Bahamas as a potential place for investing their retirement fund. When they meet the irrepressible Sybille, who runs a block of apartments, the long standing husband and wife team decide to put their trust in this stranger in order to grasp the opportunity of a lifetime. With some wonderful new friends and a lifestyle only dreamed of, Liz still worries that this win-win situation may be too good to be true. This is a thoroughly entertaining tale.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. A significant contribution to anthropology, history, and gender studies that reveals the denials of homosexuality in traditional and contemporary African societies to be rooted in colonialist ideologies. Among the many myths created about Africa, the claim that homosexuality and gender

diversity are absent or incidental is one of the oldest and most enduring. Historians, anthropologists, and many contemporary Africans alike have denied or overlooked African same-sex patterns or claimed that such patterns were introduced by Europeans or Arabs. In fact, same-sex love and nonbinary genders were and are widespread in Africa. *Boy-Wives and Female Husbands* documents the presence of this diversity in some fifty societies in every region of the continent south of the Sahara. Essays by scholars from a variety of disciplines explore institutionalized marriages between women, same-sex relations between men and boys in colonial work settings, mixed gender roles in east and west Africa, and the emergence of LGBTQ activism in South Africa, which became the first nation in the world to constitutionally ban discrimination based on sexual orientation. Also included are oral histories, folklore, and translations of early ethnographic reports by German and French observers. *Boy-Wives and Female Husbands* was the first serious study of same-sex sexuality and gender diversity in Africa, and this edition includes a new foreword by Marc Epprecht that underscores the significance of the book for a new generation of African scholars, as well as reflections on the book's genesis by the late Stephen O. Murray. Stephen O. Murray (1950–2019) was an independent scholar who held a PhD in Sociology from the University of Toronto. Will Roscoe is an independent scholar, with a PhD in History of Consciousness from the University of California, Santa Cruz. They are the coeditors of *Islamic Homosexualities: Culture, History, and Literature*. Almost everyone knows the public Ted Williams: the great hitter, the war hero, the avid outdoorsman and the man who seemed to be a lightning rod for controversy his whole life. Fewer know the very private Ted, and fewer still knew him as well as his friend and confidante of over 30 years, John Underwood. From vacations off the Florida Keys, to African Safaris to the beaches of Costa Rica, Underwood and Williams vacationed together and got to know each as close personal friends. Underwood draws on both his private recordings with Williams—the audio CD contains candor from Williams about a wide. #1 NEW YORK TIMES BESTSELLER • THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE STREAMING SERIES REACHER Digging graves had not been part of my plans when I woke up that morning. Reacher goes where he wants, when he wants. That morning he was heading west, walking under the merciless desert sun—until he comes upon a curious scene. A Jeep has crashed into the only tree for miles around. A woman is slumped over the wheel. Dead? No, nothing is what it seems. The woman is Michaela Fenton, an army veteran turned FBI agent trying to find her twin brother, who might be mixed up with some dangerous people. Most of them would rather die than betray their terrifying leader, who has burrowed his influence deep into the nearby border town, a backwater that has seen better days. The mysterious Dendoncker rules from the shadows, out of sight and under the radar, keeping his dealings in the dark. He would know the fate of Fenton's brother. Reacher is good at finding people who don't want to be found, so he offers to help, despite feeling that Fenton is keeping secrets of her own. But a life hangs in the balance. Maybe more than one. But to bring Dendoncker down will be the riskiest job of Reacher's life. Failure is not an option, because in this kind of game, the loser is always better off dead. The purpose of this book is to give an outline of structural features of Chaucer's poetic syntax that are relevant to the study of style, and to define some general tendencies in his construction of sentences. What emerges is a fondness on Chaucer's part for discontinuity in the order of words and phrases and for certain forms of expression which have a wider application than their modern counterparts. In order that Chaucer's usage may be seen in its historical context, comparative material is drawn from the writings of his contemporaries - Langland, Gower, and the Gawain-poet - and from the body of early English rhyming romances now taken to represent an influential native poetic tradition. In an introductory chapter Dr Roscoe questions the familiar description of Chaucer's syntax as colloquial, and argues for attention to a wider range of literary functions in studying the relationship between syntax and style in medieval poetry The good times have gone forever and we must now adjust to a new reality of job creation and degrowth. This year marks the golden anniversary of the Art Ensemble of Chicago, the flagship band of the Association for the Advancement of Creative Musicians. Formed in 1966 and flourishing until 2010, the Art Ensemble distinguished itself by its unique performance practices—members played hundreds of instruments on

stage, recited poetry, performed theatrical sketches, and wore face paint, masks, lab coats, and traditional African and Asian dress. The group, which built a global audience and toured across six continents, presented their work as experimental performance art, in opposition to the jazz industry's traditionalist aesthetics. In *Message to Our Folks*, Paul Steinbeck combines musical analysis and historical inquiry to give us the definitive study of the Art Ensemble. In the book, he proposes a new theory of group improvisation that explains how the band members were able to improvise together in so many different styles while also drawing on an extensive repertoire of notated compositions. Steinbeck examines the multimedia dimensions of the Art Ensemble's performances and the ways in which their distinctive model of social relations kept the group performing together for four decades. *Message to Our Folks* is a striking and valuable contribution to our understanding of one of the world's premier musical groups. In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. From the NEW YORK TIMES, WALL STREET JOURNAL, & USA TODAY bestselling series Hunches, horse races, and heartbreak Ten years after Simone Payton broke his heart, all Roscoe Winston wants is a doughnut. He'd also like to forget her entirely, but that's never going to happen. Roscoe Winston remembers everything—every look, every word, every single unrequited second—and the last thing he needs is another memory of Simone. Unfortunately, after one chance encounter, Simone keeps popping up everywhere he happens to be Ten years after Roscoe Winston dropped out of her life, all Simone Payton wants is to exploit him. She'd also like some answers from her former best friend about why he ghosted her, but if she never gets those answers, that's a-okay. Simone let go of the past a long time ago. Seriously, she has. She totally, totally has. She is definitely not still thinking about Roscoe. Nope. She's more than happy to forget he exists. But first, she needs just one teeny-tiny favor
