The New York Times Bestseller | Winner of the Army Historical Foundation Distinguished Writing Award Omaha Beach legend Ray Lambert's unforgettable firsthand account of D-Day “Lambert landed on [Omaha Beach] as a 23-year-old Army medic. ... As the bullets cut down his comrades, he raced repeatedly back into the sea to drag out wounded soldiers.” —New York Times Seventy-five years ago, he hit Omaha Beach with the first wave. Now D-Day legend Ray Lambert (1920-2021) delivers one of the most remarkable memoirs of our time, a tour-de-force of remembrance evoking his role as a decorated World War II medic who risked his life to save the heroes of Normandy. At five a.m. on June 6, 1944, U.S. Army Staff Sergeant Ray Lambert worked his way through a throng of nervous soldiers to a wind-swept deck on a troopship off the coast of Normandy, France. A familiar voice cut through the wind and rumble of the ship's engines. “Ray!” called his brother, Bill. Ray, head of a medical team for the First Division's famed 16th Infantry Regiment, had already won a silver star in 1943 for running through German lines to rescue trapped men, one of countless rescues he'd made in North Africa and Sicily. “This is going to be the worst yet,” Ray told his brother, who served alongside him throughout the war. “If I don't make it,” said Bill, “take care of my family.” “I will,” said Ray. He thought about his wife and son—a boy he had yet to see. “Same for me.” The words were barely out of Ray's mouth when a shout came from below. To the landing craft! The brothers parted. Their destinies lay ten miles away, on the bloodiest shore of Normandy, a plot of Omaha Beach ironically code named “Easy Red.” Less than five hours later, after saving dozens of lives and being wounded at least three separate times, Ray would lose consciousness in the shallow water of the beach under heavy fire. He would wake on the deck of a landing ship to find his battered brother clinging to life next to him. Every Man a Hero is the unforgettable story not only of what happened in the incredible and desperate hours on Omaha Beach, but of the bravery and courage that preceded them, throughout the Second World War—from the sands of Africa, through the treacherous mountain passes of Sicily, and beyond to the greatest military victory the world has ever known. In this compelling and influential work, Joseph Campbell scours the myths of the world to reveal the characteristics common to heroes from all cultures and periods.
