Devotion to St. Anne in Texts and Images Sep 08 2021 St. Anne was popular with representatives of various segments of society – from monks, nuns, members of the clergy, royal patrons, to church-goers of every rank. This book looks into both the public and private worship of this holy woman and brings to the surface some under-exposed aspects of it. It does so through the examination of manuscripts, monumental art, relics, sculpture, and texts of various genres. The contributors employ a historical as well as a theological perspective on how the cult of St. Anne (sometimes also with glimpses concerning that of Joachim) established itself, referring to areas in Europe which are not frequently discussed in English-language scholarship. This new contribution to the field of hagiography will be of interest to academics from a variety of research fields, including theologians, Byzantinists, art and church historians, and historians of a larger scope.

A Pure Drop' The Life Of Jeff Buckley Feb 01 2021 'Jeff Buckley was a pure drop in an ocean of noise.' – Bono It was his take on John Cale's cover version of Leonard Cohen's song 'Hallelujah' that made the number famous and his album – Grace – that caused everyone from Led Zeppelin and U2 to Radiohead and Coldplay to look up to Buckley as an illuminating spirit. But who was the man behind the music? Buckley's many personal letters are revealed for the first time. His struggle with writers block is explored, as is his ongoing battles with the concept of stardom, his desire for escape and the attempts to deal with the unavoidable legacy of his equally gifted father, Tim Buckley. In *A Pure Drop*, his friends, peers, enemies, lovers and collaborators all speak of the Jeff Buckley they knew, or in some cases, they thought they knew.

Strong on Music Aug 27 2020 In *Strong on Music* Vera Brodsky Lawrence uses the diaries of lawyer and music lover George Templeton Strong as a jumping-off point from which to explore every aspect of New York City's musical life in the mid-nineteenth century. This third and final volume ranges across opera, orchestral and chamber music, blackface minstrels, military bands, church choirs, and even concert saloons. Among the many striking scenes vividly portrayed in *Repercussions* are the rapturous reception of Verdi's *Ballo in maschera* in 1861; the impact of the Civil War on New York's music scene, from theaters closing as their musicians enlisted to the performance of "The Star-Spangled Banner" at every possible occasion; and open-air concerts in the developing Central Park. Throughout, Lawrence mines a treasure trove of primary source materials including daily newspapers, memoirs, city directories, and architectural drawings. Indispensable for scholars, *Repercussions* will also fascinate music fans with its witty writing and detailed descriptions of the cultural life of America's first metropolis. Formerly a concert pianist, Vera Brodsky Lawrence spent the last third of her life as a historian of American music (she died in 1996). She was editor of *The Piano Works of Louis Moreau Gottschalk* and *The Complete Works of Scott Joplin*. On Volume 1: "A marvelous book. There is nothing like it in the literature of American music."—Harold C. Schonberg, *New York Times Book Review* On Volume 2: "A monumental achievement."—Victor Fell Yellin, *Opera Quarterly*

Will Thurland's World War II Photo Collection Jul 26 2020 Will A. Thurland of Christiansted, St. Croix, U.S. Virgin Islands was drafted into the U.S. Army in 1944, a year after the Selective Service Act of 1940 was made applicable to the territory in World War II. The photographs are taken with a Kodak Brownie camera. The photographs and stories are of the Virgin Islands Orchestra and the Virgin Islands 872nd and 873rd Port Companies and their military journey in Puerto Rico, New Orleans, Louisiana and Hawaii. The photographs also include the VJ Day Parade in Oahu, Hawaii in 1945 at the end of World War II, the 1946 Tsunami in Hawaii, the men working, on furlough or the orchestra playing in New Orleans and Hawaii in addition to life after service. Also included are newspaper clippings from the local newspapers as those back home kept track of the enlisted men's activities. The book also has a glossary. Will was instrumental in organizing the Virgin Islands Orchestra. The music of the orchestra provided a distraction from a segregated army and the Jim Crow laws that Virgin Islanders would not get accustomed to. The orchestra was well received wherever they were stationed, for their unique style of music such as quelbe, Latin music, popular big band music and military marches. Members of the 873rd Port Company contributed greatly to the US. Virgin Islands after military discharge and produced the 2nd and 4th elected governors of the U.S. Virgin Islands, Cyril E. King and Alexander A. Farrelly, legislators, commissioners, successful businessmen, many in government and public service, in addition to several members of the Virgin Islands Orchestra who continued to share their musical talents in the Virgin Islands. Note: A separate file with the back cover text has been submitted in Word titled "WT-BackCoverText-Fin

Gypsy in the Moonlight Mar 02 2021 The year is 1942. World War II is in full swing in the Atlantic. The Caribbean islands form an arc of sentry posts arrayed against an unseen enemy. From here, Great Britain and the United States spy the waves for German U-boats attempting stealthy approaches to the Panama Canal, the Gulf of Mexico and the strategic ports of South and Central America. Though not far from the deadly fray out in the mid Atlantic, life could have gone on as usual in the British colony of Trinidad. But this cosmopolitan island has become a crucial outpost, now manned by thousands of American servicemen. And as the days grow hotter and the nights grow longer lying in wait for those Nazi ships, restlessness turns to mischief, and mischief turns to murder.
