'For fans of Jodi Picoult and
Liane Moriarty, this book is an
intense page-turner... a book
that you won't be able to put
down until the very last page.

It's awesome, read it!' Our
Grand Life A new home can be
a happy ending. Or a fresh
start. Or a hiding place... Of all
the emotions single mother
Kate Jones feels as she walks
into her brand new house on
Parkview Road, hope is the
most unexpected. She has
changed her name and her
daughter's, and moved across
the country to escape the
single mistake that destroyed
their lives. Kate isn't the only
woman on the street starting
afresh. Warm, whirlwind Gisela
with her busy life and confident
children, and sharp, composed
Sally, with her spontaneous
marriage and high-flying
career, are the first new
friends Kate has allowed

herself in years. Whilst part of
her envies their seemingly
perfect lives, their friendship
might help Kate to leave her
guilt behind. Until one day,
everything changes. Kate is
called to the scene of a
devastating car accident, the
consequences of which will test
everything the women thought
they knew about each other,
and themselves. Can Kate stop
her own secrets from
unravelling, or was her hope
for a new life in vain? From the
bestselling author of The Silent
Wife, The Woman I Was Before
is a book about the things we
hide from those closest to us -
and the terrible consequences
that keeping those secrets can
have. Perfect for fans of Jodi

Picoult, Liane Moriarty and Diane Chamberlain. Readers love *The Woman I Was Before*: 'It's been a long time since I read a whole book in 24 hours but there was no way I was putting down *The Woman I Was Before*. No one writes complex, painful family love like Kerry Fisher. Real and raw but funny too. Loved it!' Iona Grey, author of *Letters to the Lost* 'Wow, what a corker of a novel... exactly the sort of novel that creeps into your life and you don't want to put down... will keep you turning the pages, anxiously, excitedly and soon to reach a thrilling conclusion.' Goodreads Reviewer, 5 stars 'Loved it!!!! Fell in love with the characters,

so real and relatable.' Goodreads Reviewer, 5 stars 'I was absolutely smitten with this book! I enjoyed it from the first page to the last.' Goodreads reviewer, 5 stars 'I loved this book - I lost my whole Sunday reading - just couldn't put it down!' Goodreads reviewer, 5 stars 'Kate's secret, when revealed, is gut-wrenching... An excellent read.' Goodreads reviewer, 5 stars 'A cracking character-driven story that enthralled me.' Goodreads reviewer, 5 stars '5 stars! Kerry Fisher has once again nailed it with this fantastic book about how our lives may not really be as wonderful as we like to present them on social media.'

Goodreads reviewer, 5 stars 'This is the first book I've read by Ms Fisher and I thoroughly enjoyed every minute of it! It sucked me in from the beginning!' Goodreads reviewer, 5 stars 'Wives and mothers have an inexplicable need to use social media to share cozy snapshots and smart hash-tags that give the sense of a bright and shiny life. Kerry Fisher writes an endearing story about what really happens outside of the photo frame for women who are dealing with the challenges life brings. A wonderful read.' Goodreads reviewer, 5 stars 'There are secrets galore, some big, some bigger. Very well done!' Goodreads reviewer, 5

NetGalley Reviewer NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For

though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés

has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul. "From meetings and conversation with men, love affairs arise. In the midst of pleasures, banquets, dances, laughter, and self-indulgence, Venus and her son Cupid reign supreme. . . . Poor young girl, if you emerge from these encounters a captive prey! How much better it would have been to remain at home or to have broken a leg of the body rather than of the mind!" So wrote the sixteenth-century Spanish humanist Juan Luis Vives in a famous work dedicated to Henry VIII's daughter, Princess

Mary, but intended for a wider audience interested in the education of women. Praised by Erasmus and Thomas More, Vives advocated education for all women, regardless of social class and ability. From childhood through adolescence to marriage and widowhood, this manual offers practical advice as well as philosophical meditation and was recognized soon after publication in 1524 as the most authoritative pronouncement on the universal education of women. Arguing that women were intellectually equal if not superior to men, Vives stressed intellectual companionship in marriage over procreation, and moved beyond the private

sphere to show how women's progress was essential for the good of society and state. The Woman Was a Devil is a page-turner about a forty-year old virgin who passed her time as an antique collector until she discovered a mysterious Gauguin painting. This brought her into contact with a fraudulent curator who turned out to be a devilish woman. Suddenly three men become her love life—a lawyer, famous country western singer, and a handsome cad with an inheritance. Her steady companion is her faithful dog, a Yorkshire terrier. Women friends turn on her, but two old friends who were early school mates come to her aid. One

lovable curator helps her use her knowledge of antiques to find her way out of a great quandary. The world of antiques revealing American history, auctions, charlatans and odd characters make this fascinating story even more intriguing. The mystery begins in a small Pennsylvania town just after World War II but reaches out to include Washington, D.C., the National Gallery, the Smithsonian, the Willard Hotel, Georgetown, and Las Vegas, as well as Dublin, Ireland. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological

predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. Collection of thirteen stories, written between 1924-1928, which reflect Lawrence's experiences in New Mexico, Mexico, Italy, Germany and England during the post-war period. Meet Kim - a middle-aged hack, ripe for a mid-life crisis. Meet Kate - his feisty colleague, half his age. And

meet the Marathon des Sables - not just the world's toughest footrace, but also the burning furnace where two journalists fall in love. Kim is married and in a dead-end job on a Red Top newspaper. He's always dreamed of running the Marathon des Sables. Kate hurls down the gauntlet and Kim can't help but pick it up. Based on the events of the 2012 Marathon des Sables, this is a story about finding love in the searing crucible of the Sahara. Traces the author's year spent in Yemen's capital city, Sana'a, where she worked as the editor of the "Yemen Observer," documenting her efforts to teach balanced journalism to her staff, and her

appreciation for the strength of Arab women in a completely male-dominated society. Here, archaeologically documented, is the story of the religion of the Goddess. Under her, women's roles were far more prominent than in patriarchal Judeo-Christian cultures. Stone describes this ancient system and, with its disintegration, the decline in women's status. Raicho Hiratsuka (1886-1971) was the most influential figure in Japan's early women's movement. In 1911, she established *Bluestocking* (Seito), Japan's first literary journal run by women. In 1920, she founded the New Women's Association, Japan's first nationwide women's

organization to campaign for female suffrage. Soon after World War II, she organized the Japan Federation of Women's Organizations. In the Beginning, *Woman Was the Sun* is Raicho Hiratsuka's autobiography, recounting her rebellion against the strict social codes of the time. Hiratsuka came from an upper-middle class Tokyo family, and her restless quest for truth led to intensive Zen training at Japan Women's College. After graduation, she gained brief notoriety for her affair with a married writer but quickly established herself as a brilliant and articulate leader of feminist causes. This richly detailed memoir presents a

woman who was at once idealistic and elitist, fearless and vain, and a perceptive observer of society. Many cultures have myths about self-imitation, stories about people who pretend to be someone else pretending to be them, in effect masquerading as themselves. This great theme, in literature and in life, tells us that people put on masks to discover who they really are under the masks they usually wear, so that the mask reveals rather than conceals the self beneath the self. In this book, noted scholar of Hinduism and mythology Wendy Doniger offers a cross-cultural exploration of the theme of self-impersonation, whose

widespread occurrence argues for both its literary power and its human value. The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood. They illuminate a basic human way of negotiating reality, illusion, identity, and authenticity, not to mention memory, amnesia, and the process of aging. Many of them involve marriage and adultery, for tales of sexual betrayal cut to the heart of the crisis of identity. These stories are extreme examples of what we common folk do, unconsciously, every day. Few of us actually put on masks that replicate our

faces, but it is not uncommon for us to become travesties of ourselves, particularly as we age and change. We often slip carelessly across the permeable boundary between the un-self-conscious self-indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us, personally or publicly, the version of ourselves that they expect. Myths of self-imitation open up for us the possibility of multiple selves and the infinite regress of self-discovery. Drawing on a dizzying array of tales—some fact, some fiction—*The Woman Who Pretended to Be Who She Was* is a fascinating and

learned trip through centuries of culture, guided by a scholar of incomparable wit and erudition. **THE SUNDAY TIMES & NEW YORK TIMES BESTSELLER** From the bestselling author of *Richard and Judy* pick *In A Dark, Dark Wood* comes Ruth Ware's new compulsive page-turner. The Woman Who was the Corridor chronicles the most secret and subtle invasion imaginable. Its not only an exciting adventure, but also an amazing one, as a Texas ATF Agent tries to discover the truth in the darkest heart of Louisiana. The Woman Who Was the Corridor reveals not only the footprints, but also the heartbeat of aliens in our world. They are here and the truth is now! Andie Blue thought she was on the southern singing tour of her dreams; she was wickedly used

and ensnared by The Corridor. ATF Agent, Martin Evans, was on the trail of a gun smuggler when he ran into The Corridor and lost the only thing he ever loved. Deia Rankin has a ceramics production firm, the old family plantation, and a son who resurrects the dying. She has fought her way to national recognition as an artist and as a very astute business woman, and has revitalized her Louisiana hometown. Her nights are disturbed by an unseen Presence as she becomes the corridor for transdimensional aliens. Reaching all the way to the United States Senate, her story involves the ATF, alien technology, and terrifying

changes to human bodies. The trail of transdimensional aliens leads to Washington. A Louisiana Senator has called in a national archives scribe who has purloined the encrypted entry, but only the Senator knows the whole truth about The Woman Who was the Corridor and how to use it. Before he ever thought of becoming a senator, Jamie Philpot was her lover and Martin Evans was his enemy. 'The Powers of a Woman' is a Book specially written by a woman for women in different stages of marriage. From the beginning, God has made it clear that woman is very special that is why He clearly defined her position, her duties

and destiny in the divine plan. God created man and woman equally in His image, the woman was made different from the man. Physically, she may not be as strong as her male counterpart, she does not have a large heart and lungs when compared to that of a man but she has three physiological functions which are not present in the man; What are they? This book will open the eyes of women of this generation to the powers deposited in them by the Almighty God. Get a copy of "The Powers of a Woman" and rediscover yourself to make your home the BEST among many. Almost half of all married men, and slightly

fewer married women, admit to having had at least one affair. This is the book for the woman who finds herself involved with such a married man! This is absolutely not a "how to become a mistress" book. It offers help to those who are already finding themselves in this situation so everyone involved survives the experience as unharmed as possible under the circumstances, especially the "Other Woman" herself. Insightful, at times funny, and always straight to the point, this book is a "must read" for every "Other Woman!" And let us not forget that there is a betrayed wife and a cheating husband for every Other

Woman. This book would be an eyeopener for many of those, too. Fall in love with this bright, ecofriendly take on a favorite rhyme for children. "There was an old woman who lived in a shoe, and some days were just a big Hullabaloo!" Readers follow along as a woman and her household of high-spirited children and their pets reuse and recycle everyday items. The crew repair their broken furniture, find alternative modes of transportation when the car breaks down, and remake worn clothing with colorful patches. Jane Cabrera's charming acrylic artwork is perfect for sharing with young readers and listeners. Told with urgency,

intimacy, and piercing emotion, this New York Times bestselling novel is the riveting confession of a woman awakened, transformed, and abandoned by a desire for a world beyond her own. Nora Eldridge is a reliable, but unremarkable, friend and neighbor, always on the fringe of other people's achievements. But the arrival of the Shahid family—dashing Skandar, a Lebanese scholar, glamorous Sirena, an Italian artist, and their son, Reza—draws her into a complex and exciting new world. Nora's happiness pushes her beyond her boundaries, until Sirena's careless ambition leads to a shattering betrayal. A New York Times Book

Review Notable Book • A Washington Post Top Ten Book of the Year • A Chicago Tribune Noteworthy Book • A Huffington Post Best Book • A Boston Globe Best Book of the Year • A Kirkus Best Fiction Book • A Goodreads Best Book A voyage of discovery, nature and untold histories - in the vein of Clare Wright, Edmund de Waal and Helen Macdonald. When the first woman to circumnavigate the world completed her journey in 1775, she returned home without any fanfare at all. Jeanne Barret, an impoverished peasant from Burgundy, disguised herself as a man and sailed on the 1766 Bougainville voyage as the naturalist's assistant. For over

two centuries, the story of who this young woman was, why she left her home to undertake such a perilous journey and what happened when she returned has been shrouded in uncertainty. Biologist and award-winning author Danielle Clode embarks on a journey to solve the mysteries surrounding Jeanne Barret. From archives, herbariums and museums to untouched forests and open oceans, Clode's mission takes her from France and Mauritius to the Pacific Islands and New Guinea to reveal the previously untold full story of Jeanne's life as well as the achievements and challenges of her famous voyage. This book is an ode to

the sea, to science and to one remarkable woman who, like all explorers, charted her own course for others to follow. SHORTLISTED FOR THE ADELAIDE FESTIVAL AWARDS FOR LITERATURE NON-FICTION AWARD 2022 PRAISE FOR IN SEARCH OF THE WOMAN SAILED THE WORLD 'Clode conjures a spellbinding tale of gender, empire, natural history - and the lure of the ocean.' Yves Rees 'Seamlessly weaving together memoir, history and science ... a fascinating and deeply affecting exploration of voyaging, women's lives, and the stories we tell and the stories we don't.' James Bradley 'Biologist, historian,

writer, Clode once again demonstrates the connectedness of everything - animals, land, people, plants, sea, sky - at a time when, more than ever, we should be acutely aware of it.' Gay Lynch 'A joy to read, simple yet elegant, it whispers in your ear like the sea murmuring from within a shell.' Kristin Weidenbach 'Danielle Clode unties the knots of myth and weaves a fascinating story of discovery; Jeanne Barret is one of history's most enigmatic explorers.' Nick Brodie 'Clode brings a scientific rigour and a celebration of natural history to the biography of this important woman.' Stephanie Parkyn This book, a meditation on a

woman's hat on display in the Jewish Historical Museum in Amsterdam, combines a pensive prose poem with arresting collage artwork. The illustrations, consisting of pencil drawings, subdued watercolors, and old photographs, sometimes suggest a distant memory and at other times bring the reality of the Holocaust into sharp focus. Subtle yet powerful, historical and personal, this book will have a lasting impact on everyone who experiences it. In April 2009, a modest middle-aged woman from a village in Scotland was catapulted to global fame when the YouTube video of her audition for Britain's Got Talent touched the hearts of millions all over the world. From singing karaoke in local pubs to a live performance with an eighty-piece orchestra in Japan's legendary Budokan Arena and a record-breaking debut album, Susan Boyle has become an international superstar. This astonishing transformation has not always been easy for her, faced with all the trappings of celebrity, but in the whirlwind of attention and expectation, she has always found calm and clarity in music. Susan was

born to sing. Now, for the first time, she tells the story of her life and the challenges she has struggled to overcome with faith, fortitude, and an unfailing sense of humor. Writing in an age when the call for the rights of man had brought revolution to America and France, Mary Wollstonecraft produced her own declaration of female independence in 1792. Passionate and forthright, *A Vindication of the Rights of Woman* attacked the prevailing view of docile, decorative femininity, and instead laid out the principles of emancipation: an equal education for girls and boys, an end to prejudice, and for women to become defined

by their profession, not their partner. Mary Wollstonecraft's work was received with a mixture of admiration and outrage. Hugh Walpole called her "a hyena in petticoats." Yet it established her as the mother of modern feminism. An elegant survey of over seventy works of art featuring women reading throughout history. What is it about a woman reading that has captivated hundreds of artists over the centuries? Stefan Bollmann's *Women Who Read Are Dangerous* explores this popular subject in more than seventy artworks—drawings, paintings, photographs, and print—by iconic artists such as Henri Matisse, Edward Hopper,

Suzanne Valadon, August Sander, Rembrandt, and many more. As the book's provocative title indicates, a woman reading was once viewed as radical. In chapters, such as "Intimate Moments" and "The Search for Oneself," Bollmann profiles how a woman with a book was once seen as idle or suspect and how women have gained autonomy through reading over the years. Bollmann offers intelligent and engaging commentary on each work of art in *Women Who Read Are Dangerous*, telling us who the subject is, her relationship to the artist, and even what she is reading. With works ranging from a 1333 Annunciation painting of the

angel Gabriel speaking to the Virgin Mary, book in hand, to twentieth-century works, such as a stunning photograph of Marilyn Monroe reading *Ulysses*, this appealing survey provides a veritable slideshow of the many iterations of a woman and her book—a compelling subject to this day. An excellent gift for graduates, teachers, or Mother's Day, this elegant book should appeal to anyone interested in art, literature, or women's history. Tracking the changing representation of female gender-crossing in the press, this text breaks new ground to reveal findings where both desire between women and cross-gender identification are

understood. *Her Husband was a Woman!* exposes real-life case studies from the British tabloids of women who successfully passed as men in everyday life, perhaps marrying other women or fighting for their country. Oram revises assumptions about the history of modern gender and sexual identities, especially lesbianism and transsexuality. This book provides a fascinating resource for researchers and students, grounding the concepts of gender performativity, lesbian and queer identities in a broadly-based survey of the historical evidence. Released for the first time in paperback, this landmark social and

political volume on feminism is credited with being responsible for raising awareness, liberating both sexes, and triggering major advances in the feminist movement. Reprint. "The object of this essay is to explain as clearly as I am able, the grounds of an opinion which I have held from the very earliest period when I had formed any opinions at all on social or political matters, and which, instead of being weakened or modified, has been constantly growing stronger by the progress of reflection and the experience of life: That the principle which regulates the existing social relations between the two sexes- the legal subordination

of one sex to the other- is wrong in itself, and now one of the chief hindrances to human improvement ; and that is ought to be replaced by a principle of perfect equality, admitting no power or privilege on the one side, nor disability on the other."--Page 1 "This unflinching novel chronicles a woman's relationship with a violent man in a way that brings fresh insight to the subject . . . engaging and uplifting." —O, The Oprah Magazine From the Booker Prize-winning author of Paddy Clarke Ha Ha Ha, the heartrending story of a brave and tenacious housewife Paula Spencer is a thirty-nine-year-old working-class woman

struggling to reclaim her dignity after marriage to an abusive husband and a worsening drinking problem. Paula recalls her contented childhood, the audacity she learned as a teenager, the exhilaration of her romance with Charlo, and the marriage to him that left her feeling powerless. Capturing both her vulnerability and her strength, Roddy Doyle gives Paula a voice that is real and unforgettable. This edition of *Lilith: The Legend of the First Woman* contains illustrated depictions of the mythic Lilith, in her role within the garden of Eden. Collier uses poetry to detail an account of Lilith as an alternative narrative of the

Book of Genesis. Originating from Rabbinic circles, the notion of Lilith was as Adam's first wife, with her expulsion taking place before God created Eve as her replacement. Drawing upon aspects of Jewish, Christian and Islamic law, Collier ably details Lilith's characteristics - she appears not as a malevolent demon or temptress, but as an intelligent being with a great capacity for affection. Owing to the interpretation being in verse form, we may observe an aesthetic description of the Garden of Eden and the circumstances of Lilith's arrival there. A fascinating interpretation of ancient myths,

Lilith: The Legend of the First Woman is a worthwhile and intriguing read for those interested in Old Testament lore and Lilith as legend. A History of Women's Influence begins with Biblical Eve and traces women of the Bible and their influence on mankind, influence for good and influence for evil. In the introduction to each of the twenty-four chapters, a woman who I not in the Bible, but correlates the Biblical women studied in the chapter is featured. Cultures of our modern times have been shaped by women's influence. The book is a comprehensive six-months study, suitable for Women's Bible classes and

seminars. Influence is the main emphasis, not merely the facts of the woman's life, but her influence on others while she was living and the influence on those yet unborn. Fame is fleeting, influence is forever! Written in a readable narrative style, this book can be enjoyed by any woman. It was a tale of loss and recovery, of courage and sorrow, of horror and inspiration. Tania Head's astonishing account of her experience on September 11, 2001—from crawling through the carnage and chaos to escaping the seventy-eighth-floor sky lobby of the burning south tower to losing her fiancé in the collapsed north tower—transformed her into

one of the great victims and heroes of that tragic day. Tania selflessly took on the responsibility of giving a voice and a direction to the burgeoning World Trade Center Survivors' Network, helping save the "Survivor Stairway" and leading tours at Ground Zero, including taking then-governor Pataki, Mayor Bloomberg, and former mayor Giuliani on the inaugural tour of the WTC site. She even used her own assets to fund charitable events to help survivors heal. But there was something very wrong with Tania's story—a terrible secret that would break the hearts and challenge the faith of all those she claimed to champion.

Told with the unique insider perspective and authority of Angelo J. Guglielmo, Jr., a filmmaker shooting a documentary on the efforts of the Survivors' Network, and previously one of Tania's closest friends, *The Woman Who Wasn't There* is the story of one of the most audacious and bewildering quests for acclaim in recent memory—one that poses fascinating questions about the essence of morality and the human need for connection at any cost. Told with humor and flair, this is the autobiography of one transsexual's wild ride from boyhood as Alfred Brevard ("Buddy") Crenshaw in rural Tennessee to voluptuous

female entertainer in Hollywood. This memoir is a rare pre-Women's Movement account of coming to terms with gender identity as Brevard writes frankly about the degree to which she organized her life around pleasing men, and how absurd it all seems to her now. 17 illustrations.
