Get this beautiful creative writing, or planning book for your dad, granddad, boyfriend, or uncle. Perfect Journal for men who likes beard! This would make a fantastic gift for family, friend or coworker Explore the masculine sensuality of bearded men with art, photography and writing created for fans of furry faces. Early cave paintings show Stone Agers plucking out facial hair with sea shells, suggesting that the decision to grow or not grow a beard is almost as old as human society itself. Allan Peterkin's One Thousand Beards: A Cultural History of Facial Hair traces the beard's (and the razor's) storied past, including styles, regulations and cultural significance from the ancient Egyptians to the present day. The

breezy and concise illustrated volume also covers the various religious meanings of beards, facial hair in gay culture, bearded ladies and the beard as interpreted by Freud. Peterkin includes instructions for washing, dying, trimming and shaving all kinds of beards from Amish-style to the Franz Josef Do you know someone who loves bearded men? Funny Men With Beards Make Better Valentines Journal Gift Gift For Men Men's Valentine's day notebook to write things in. I'll love you forever I'm completely devoted to you I'm so blessed to have you I'm so lucky to have you Je t'aime a Valentine's wish a beautiful union a day filled with love a perfect match a toast to us a toast to your love always and forever always there for me be mine Beards—they're all the rage these days. Take a look around: from hip urbanites to rustic outdoorsmen, well-groomed metrosexuals to post-season hockey players, facial hair is everywhere. The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay

thousands of dollars for facial hair transplants to disguise patchy, juvenile beards. And in 2014, blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement. The beard, she said, has turned into the padded bra of masculinity. *Of Beards and Men* makes the case that today's bearded renaissance is part of a centuries-long cycle in which facial hairstyles have varied in response to changing ideals of masculinity. Christopher Oldstone-Moore explains that the clean-shaven face has been the default style throughout Western history—see Alexander the Great's beardless face, for example, as the Greek heroic ideal. But the primacy of razors has been challenged over the years by four great bearded movements, beginning with Hadrian in the second century and stretching to today's bristled resurgence. The clean-shaven face today, Oldstone-Moore says, has come to signify a virtuous and sociable man, whereas the beard marks someone as self-reliant and unconventional. History, then, has established specific meanings for facial hair, which both inspire and constrain a man's choices in how he presents himself to the world. This fascinating and erudite history of facial hair cracks the masculine hair code, shedding light

on the choices men make as they shape the hair on their faces. Oldstone-Moore adeptly lays to rest common misperceptions about beards and vividly illustrates the connection between grooming, identity, culture, and masculinity. To a surprising degree, we find, the history of men is written on their faces. Beard Lover Funny Sayings Dot Grid Notebook Dot grid can be ideal as a guide for practicing handwriting and hand lettering, with the subtle guide allowing you to control the height and width of letters Perfectly sized at 6"x9" 120 page softcover bookbinding flexible Paperback Beard Lover Lined Notebook small diary/journal/notebook to write in. for creative writing, creating list, for scheduling, Organizing and Recording your thoughts. Men have been objectifying women for thousands of years and there's no reason women shouldn't be allowed to celebrate their passion for dudes with beards. Keeping a personal journal for women to write in is a great way to preserve memories, or keep track of daily activities. This is a paperback book with lined pages, room in the margins for doodling and a bearded guy on the cover. What more could you ask for? Look at this one, do you think he's Irish or Scottish? He's thinking really hard in this picture, you can tell. He's wondering when he's going to meet you and hoping you like his beard. He's not sure whether he'd shave it off if you wanted him to, and he might always suspect you hate it but it's part of him and he doesn't want to change that. He's happy to work on some other things, but not the beard. Unless you insist. 150 lined pages 8x10 Beard Lover Funny Sayings Dot Grid Notebook Dot grid can be ideal as a guide for practicing handwriting and hand lettering, with the
